AYP Phase:

1 - School Improvement - school must offer choice and transportation.

2 - Continuing School Improvement - school must offer choice, transportation, and supplemental services.

3 - Corrective Action - school must continue choice, transportation, and supplemental services and take further corrective action.

4 - Restructuring - school must continue choice, transportation, and supplemental services and develop a plan to restructure the school.

5- Implement Restructuring Plan - school must continue choice, transportation, and supplemental services and implement restructuring plan.

AYP Phase not 0 - School made AYP this year but did not make AYP last year. School is still identified for improvement and continues in current AYP Phase. If school makes AYP for a second consecutive year it will no longer be identified for improvement Phase will return to 0.

99 - AYP Advisory - This is a new school that did not have MEAP data prior to 2003. This school is given an advisory status because data are not available for safe harbor comparison or for multiple year averaging.

Accreditation Grade:

No Grade - Not enough data to calculate both Achievement Status Grade because school had fewer than 30 students tested.
